"Promoting non-motorized outdoor recreation and the conservation of our Great Lakes resources..."

The Quiet Water Society is seeking a person, persons, or organization interested in assisting in the production of the 23rd Annual Quiet Water Symposium. The Quiet Water Society is offering a contract to let for an independent contractor or organization with event planning experience and skills. Attached you will find a description of the Symposium, its goals, and its metrics.

Based on the information in the attached document, the Quiet Water Society will entertain proposals for this business opportunity. Your proposal should include:

- Information as to your or your organization's qualifications
- Assets, skill sets, and abilities that you or your team offer
- Any areas of note in which you cannot be of assistance
- Total cost of services and expected payment schedule

Proposals should be electronically submitted to info@QuietWaterSociety.org by July 10, 2017.

Questions should be submitted to the above address and to Allen@MackinawWatercraft.com.

The Quiet Water Society's intention is to let this contract as soon as possible so that the process of creating the 2018 Quiet Water Symposium can continue expediently.

Thank you for your interest.
