

Derek Specht and Sean Rowley

Paddling Adventures Radio Show

These two radio personalities will not be speaking in a room this year at QAS. Instead they will be interviewing many of the Quiet Adventures Symposium speakers and attendees. Stop by their booth and check it out.

As Sean wrote to us:

I have been paddling for over 30 years, and whether paddling with friends, family, and solo, I have always gone out of my way to find connections with those I am paddling with or the environment around me. Living in various locations across Canada, I have spent a lot of time out doors camping and paddling. It is what we did growing up. I have been the host of the Paddling Adventures Radio podcast for the past 7 years, covering topics on all types of paddling. In the past, I have had the privilege of presenting at QAS, The Toronto Outdoor Adventure Show and the Ontario Backcountry Canoe Symposium.
