

Friends of the Quiet Water Society

We need your help to keep our event, the Quiet Adventures Symposium, going strong. We ask you to support us by becoming one of the **Friends of the Quiet Water Society**. The Society is the non-profit whose volunteers create each Quiet Adventures Symposium (QAS).

Become one of the **Friends of the Quiet Water Society** and support our annual event, the Quiet Adventures Symposium. All Friends will receive the QAS e-newsletter with event updates and speaker/exhibitor profiles. You can be proud to help us promote non-motorized, outdoor recreation and to conserve our Great Lakes resources.

Choose a **Friends of the Quiet Water Society** level of support:

- **Friend** - \$30.00/year
- **Best Friend** - \$50.00/year
- **Sustaining Friend** - \$300.00, a one-time fee
